Teri,

Please forward this message to the trustees. Thanks.

Jamie

Folks,

There are portions of these documents that we (RL) don't agree with. I've highlighted the portions that I see as being particularly problematic. I suggest we schedule something (e.g. work group meeting or conference call) to discuss our overall intent and the specifics. Hopefully we can work something out. Thanks.

Jamie

Dear fellow trustees, i have not had much spare time lately to work on hanford issues, however the attached files that Jay provided represent some major unfinished buisness. Please review these attachments and send me comments by Aug 28th and I will attempt to consolidate everyones thoughts so we can discuss and perhaps finalize at Lowell for Larry's first finding for the council. Thanks Tom
